

ANNEXURE 20 Consumer Consent Form for Photographs

Consumer Consent Form For Photographs

From time to time the Rockhampton 60 & Better Program Inc. uses photographs for media releases or to include with grant acquittals (for example to show members participating in a particular activity we received funding for.)

It would be appreciated if you would consent to the use of your photographs for future use where required. This is totally voluntary, without **consent your photo will not be used to promote any activity or event.**

Thank you Anita Griffiths on behalf of the Management Committee.

I consent to my photograph being used for promotional purposes for the Rockhampton 60 & Better Program Inc.

For Example:

- **Quarterly Newsletter**
- **Grant acquittal**
- **Media releases for program promotion**

I have read and understood the above.
